CNOR EXAM PREP AND REVIEW WORKSHOP

This two day course is designed to prepare perioperative nurses to take the CNOR exam and to demonstrate clinical competence and knowledge of practice standards.

COURSE BENEFITS:
You will learn strategies to help you feel less intimidated. Some simple tricks will help you identify the most likely answer to multiple choice questions even before you consider the content. You will leave with a personal study plan and take six practice tests over the two day course that will help boost your confidence.
Sterilization and maintaining sterility is fundamental to perioperative nursing practice. You will review all aspects of sterilization, product selection, skin preparation and strategies to reduce surgical site infections.
You will be able to identify the perioperative nurse’s role in safe administration of anesthesia. You will know the common uses and what considerations you should be thinking about for different administration techniques and anesthetic agents.
You will identify the nurse’s role in caring for patients with surgical emergencies and perioperative complications. When the patient is the most vulnerable, the perioperative nurse must be the most knowledgeable and decisive. This review will help you be the best advocate you can be when your patient needs you the most.
You will identify the professional nurse’s role during surgery. Perioperative nursing is a profession that requires skill, science and planning. We will review how those attributes will benefit the surgical patient and help the nursing health care professional to provide best outcomes for his or her patients.

This continuing nursing education activity was approved by the Association of periOperative Registered Nurses, Inc., an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
Activities that are approved by AORN are recognized as continuing education for registered nurses. This recognition does not imply that AORN or the ANCC Commission on Accreditation approves or endorses any product included in the presentation.
Reference number: 10467

Provider approved by the California Board of Registered Nursing, Provider # 16283
This is a live interactive class. We will meet in a virtual classroom. You will see and hear the class over your computer. You are able to ask questions through the moderator by typing into a chat window. You take the same practice tests and will receive 16 contact hours just like the people who are sitting in the classroom.

This web based program does not require that you download anything to participate. You do have to have a broad band internet connection and speakers.

The hand outs and practice tests will be mailed to the address you enter into the PayPal site and should arrive by the Wednesday prior to class.

Easy to follow instructions for attending class will come in your confirmation email once you register.

On both Saturday and Sunday class begins at:
8:30a Eastern
7:30 Central
6:30 Mountain
5:30 Pacific

The class is recorded. If you drop in a little late or have other obligations, don’t worry. There is not a requirement to attend live. You will have access to the recordings for two months after class.

This class will be broadcast from Mobile, AL. You can take the same quality CNOR Prep course offered live without the time and expense of travel and hotel.
